

## INFO ABOUT HOTELS IN PISA

### 2<sup>nd</sup> Coastal Altimetry Workshop

Pisa, 6-7 November 2008

Participants MUST book hotel by themselves - the workshop organizers cannot take care of room reservations. Hotel confirmation and payment should be made by each participant by contacting the hotel directly. Hotels are located in various areas of the town and surroundings. Transportation conditions may change from place to place. Please keep in mind that Pisa is a year-round tourist destination and hotel rooms are always in high demand. Most hotels in the city are not large, and they fill up fast too. It is recommended that you make your reservation as soon as possible. Prices usually include continental breakfast and all taxes. We suggest that you verify the nature of the services, the applicable rates and any other relevant information directly with the hotel.

We first provide for your convenience some hotels that have an agreement with the Consiglio Nazionale delle Ricerche (CNR) to provide fixed rates (see [map](#) for their location). No availability can be guaranteed, as rooms are assigned on a first-come first-served basis. If you decide to make reservation in these hotels you have to call or send an e-mail mentioning "guest of Consiglio Nazionale delle Ricerche – Coastal Altimetry Workshop" when booking a room (if you experience problems send a note at [vignudelli@pi.ibf.cnr.it](mailto:vignudelli@pi.ibf.cnr.it) ).
